February 28, 1918.

My dear Mr. Calhoun:

Your note of February 28th is received and I appreciate your kind invitation to be your guest at a dinner to be given by "The Pilgrims" at the Waldorf-Astoria in New York City on March 5th. It would give me great pleasure to be with you on that occasion, but I regret to say that it will be quite impossible, owing to the pressure of work in this office.

Thanking you for the kind thought which prompted the invitation, and with best wishes,

Sincerely yours,

G.W.G.

Dear Fred:

I was very glad to get your note this morning and to learn that you had made the trip on the inspection engine with Mr. Tyson.

I know from experience what interest there is in such excursions to boys generally, for I used to derive a great deal of pleasure taking them around with me on the Canal.

With all good wishes and warmest regards to you all, I remain

Sincerely yours,
